DESCRIPTION
GRAB HANDLE Driver side, passenger side or both.

MOUNTED CHAIN HANGERS

Options for chain hangers mounted on the cab rack include three lockable, top-open cover finishes: diamond plate, polished AL and mill finished AL. A coverless option is available for mounting inside enclosures. All are available loose.

INSTALLED CHAIN TRAYS

Standard install chain tray is 18"W x 12"D x 10"H. Chain trays are available in standard 8", 9" and 12" depths installed with order or shipped loose. Trays available in varying widths including full cab rack width and completely custom.

CENTER MOUNT CAB RACK TOOLBOXES

Center mount aluminum toolbox with sloped diamond plate lid, neoprene bulb seals and stainless steel locking T-latches; available installed with order or shipped loose. Custom boxes in all sizes and materials available.

LOAD LOCKERS

Available s two-bar and four-bar load locker and boot for universal mounting in vertical or horizontal installations. Installed or loose.

ALULINUM LIGHT BARS

Three frame-mounted light bars (2, 4 and 6 hole) in 12.5", 42.24" and 46.5" lengths for easy frame access. Universal mounting.

BRACKETS AND LIGHTS

A variety of lights and brackets are available for install on cab racks, enclosures and DROMs.

ADDITIONAL ACCESSORIES

ProTech offers hose racks, axe and shovel holders, winch tie-downs as well as strap and rope hooks. Just ask our customer service representatives about various configurations.

COMPLETELY CUSTOM

Need something unique to your job? If that sounds like you, let's talk. We can make your custom dreams come true. Dream big.

Check the ProTech product price book and web site for the complete list of configured items offered.
