

PROTECH BACKPACK BOXES

ProTech Aluminum & Steel Backpack Boxes are designed to fit seamlessly with your work truck. The boxes provide easy access to your gear right behind your truck’s cab. The boxes all include four doors and two shelves are included. Choose from flat bottom or notched with diamond plate aluminum, stainless steel or mill finished aluminum doors. Steel boxes are available in gloss black or gloss white. If these aren’t what you need, we’ll make it. Any size. Any material.
