

## PROTECH TOOLBOX ACCESSORIES

ProTech Toolbox accessories are the easy way to make your box work the way you want. Mount where you want. Add a shelf...or two. Add whatever you want. You dream it, we build it. Just call or drop us an email and we'll get busy making it your way.

SHOWN: 20-9700

### TOOLBOX MOUNTING BRACKETS

Steel mounting brackets for 24" deep toolboxes. Pair.

### TOOLBOX OPTIONS

Custom colors are available for special orders. Standard shelves are available for every size box. Mounting kits can be used wherever you need to mount your toolbox. If you need something customized, just ask. We'll get busy making it for you.

### TOOLBOX FRAME MOUNTING KITS

Kits are black powder coated steel and installed with the longer leg placed vertically.

**20-9710:** BRACKETS FOR 18" DEEP BOXES

**20-9700:** BRACKETS FOR 20" DEEP BOXES

**20-9720:** BRACKETS FOR 30" DEEP BOXES

### TOOLBOX SHELVES

Shelf installation is available at time of order. Steel shelves are welded in place. Aluminum shelves are huck-bolted in place.
