

PROTECH FENDERS

ProTech Fenders are available in polished aluminum, stainless steel, mill finished aluminum or diamond plate aluminum. Ribs are also available. If these options aren't what you need, drop us an email or give us a call. We'll make it your way.

KEY POINTS

- ProTech offers over 100 fender configurations, from heavy-service fenders to flat fenders and the brackets to keep them in place.
- Fender kits that include two fenders and the mounting brackets are available.
- Fenders are available in a variety of materials:

Stainless Steel

Polished Aluminum

Diamond Plate Aluminum

Mill Finished Aluminum

SHOWN: 30-7360
