

PROTECH RAIL BOXES. SECURE. WEATHER RESISTANT.

Rugged ProTech rail boxes keep weather out and the tools secure. Dense, steel-grip neoprene bulb weather seals are durable and reliable. Full length bottom edge welds won't sag or crack under pressure. Available in steel or aluminum with top-open or drop-down doors. Standard boxes are made in polished aluminum, gloss black, gloss white or matte textured black. Diamond plate aluminum, polished aluminum and stainless steel lids are all available.

If that's not what you need, we'll make it. Any size. Any material. Any style.

SHOWN: 54-8666-60

TOP OPEN RAIL BOX

Aluminum rail box with polished aluminum, top-open lid; neoprene bulb style seals; and stainless steel locking T-latch. 15"H x 16"W x 60"L.

SHOWN: 54-8680-72

DROP DOOR RAIL BOX

Aluminum rail box with diamond plate aluminum, drop doors; neoprene bulb style seals; and stainless steel locking T-latch. 16"H x 12"W x 72"L.

KEY POINTS

- Continuous seam MIG welds on stress panels, such as the box floor
- Full-length stainless steel piano hinges on doors and lids
- Stainless steel locking T-latches
- Toolboxes can be ordered with combinations of materials and finishes:

Stainless Steel

Polished Aluminum

Diamond Plate Aluminum

Mill Finished Aluminum

Mild Steel

Gloss Black, Gloss White and
Matte Textured Black

Powder Coat

- Replacement parts are available
