

PROTECH ALUMINUM PICKUP REAR CARGO RACKS

Designed for work. Built to last. Our rear cargo racks utilize a proprietary heptagonal formed tube. With no bends, our aluminum rack delivers the equivalent deflection strength of steel with significant weight savings and durability. A perfect compliment to your front cab rack.

Available unpainted, Gloss Black, Gloss White or Matte Textured Black. Racks come complete with 4" vertical lumber stops included. If that's not what you need, we'll make it. Any size. Any style.
