

ProTech Industries, Inc. 2021 Freight Policy

The ProTech Industries freight program is determined on dealer purchase dollar amounts based on previous year's purchases.

Purchase Levels	Level 1	Greater than \$500,000
	Level 2	Greater than \$300,000 and less than \$500,000
	Level 3	Greater than \$150,000 and less than \$300,000
	Level 4	Greater than \$50,000 and less than \$150,000
	Level 5	Less than \$50,000

Freight Program ProTech has negotiated competitive freight rates in order to ensure the best service, fastest transit and most competitive pricing. The freight program is available only for dealers in good standing, shipments arranged by ProTech, and delivered to the dealer location.

Level 1	FREE
Level 2	FREE
Level 3	FREE
Level 4	2% of the total invoice
Level 5	4% of the total invoice

Fender Order Minimum Requirements Dealers may use the ProTech Freight Program to ship fenders as long as the following order minimum requirements are met: an order that includes only fenders must include a minimum of 6 fenders to qualify for the FREE or discounted freight program.

Expedited Services & Drop Ship Program Dealers may use the ProTech transportation service to ship to a location other than the dealer location or via expedited. The total cost of either expedited shipping or a drop ship will be invoiced to the ProTech dealer with no markup.

If you have any questions or concerns, please contact your customer service support person or Peter Miller, VP Business Development: (800) 525-7998; or email: peter.miller@protech.net.
